Forms can be found in the office and can be returned to the office before Christmas break. If you do not complete the form before Christmas break, you may have to wait a couple days before being allowed to utilize early release. Remember early release means you will be leaving campus when your school day is complete. You may not choose to remain on campus some days and others leave. All early release students must be out of the building within 5 minutes of the period beginning. If you have questions, please see Mrs. Janetzke.
