COFFEE AND COOKIES WITH A COP - THURSDAY, 9-28 DURING RESOURCE: ML is blessed by having a wonderful relationship with the Greendale Police Department (GPD). These partners have been a tremendous blessing for us for many years. We are very thankful for each of them! And, in the larger society there has often times existed misunderstandings and misconceptions about how police officers go about their jobs of serving and protecting us.

As a means of relationship building and better understanding our ML police officers, we will be launching "Coffee and Cookies With a Cop". On **Thursday, September 28 during Resource** students are invited to a conversational meeting with our School Resource Officer, Conner Fleming. Recently retired ML teacher and retired Greendale police detective, Mr. Windler, will be joining us as well. Coffee and some light refreshments will be provided.

This conversational meeting is about simply taking the time to stop in the school conference room and chat about any questions or concerns students might have about law enforcement. The goal is to have these conversations occur on a regular basis throughout the year. Please join us in this tasty and fun relationship building opportunity for our school and our friends in the GPD! Please connect with Dr. J with any questions.
